

Social Media

Social media is critical to the success of spreading the word about the volunteer program. Share on your Facebook, Twitter, or Instagram to encourage your friends and family to join our team!

Below are suggested social media posts. These posts are to get you started so feel free to create your own. Here are some tips to keep in mind while posting:

- There's a reason you fell in love with the volunteer program and The National. Share it! Your story and moments are more powerful than anything we could draft for you.
- Always include a link to the National volunteer registration page: www.nationalgolftournament.com/volunteer. If link is too long, you can also use <http://bit.ly/NationalVol>
- Like and share posts from @TheNationalDC
